

# Claremont Baptist Nursery School

July 21st, 2020

Dear Families,

Thank you all for remaining patient with us as we have weighed some difficult decisions pertaining to the 2020-2021 school year. Today, all CBNS staff members met to discuss how to proceed in September in light of the decision to go online this fall made by LA County, Governor Newsom, and the Claremont Unified School District. We take the health and safety of our students, families and staff members very seriously and have decided that **we will be going virtual starting September 8th**. Though we are extremely saddened to not initially be able to work with your children face-to-face, we are sanitizing and preparing our school so that we are ready when it is once again safe to resume in-person learning; we will be eagerly awaiting that day!

So, what will virtual learning look like this fall? Daily check-ins with your child's teacher, live class meetings, virtual storytime and show and tell, monthly work bags filled with crafts and activities to do at home and with teachers, and fun themes! You will be receiving an outline of what your child's class day will look like in your welcome packet, and we will be using our CBNS website to host all distance learning activities so that you can access everything in one spot!

We know some families have been waiting to register for school, and we are happy to announce that registration can be completed online through our website. Once registered, you will be guaranteed a spot for in-person learning once we are able to open our doors again.

We understand and acknowledge that this decision might bring some disappointment, but please know we are here to help and to provide your child with fun and purposeful learning. We are embracing this opportunity to provide education in a different way for our students, and we are extremely excited to see all of you online and during our monthly bag pick-up!

Thank you for choosing to be part of our CBNS family; we are eager to tackle the coming school year together!

Wishing you well,

Suzanne Duron  
Director | CBNS
